Terms and Conditions:-

I confirm that I am the legal owner of my dog, my dog has not been ill with any contagious disease or condition within the past 60 days and all vaccinations are up to date. I understand and accept that my dog's attendance at Coco's Canine Crèche is not completely without risk. Coco's staff will make every effort to keep a safe and fun environment for all of the dogs, and to prevent injuries to all dogs in day care. I agree that Coco's is not liable for any injuries or illnesses resulting during my dog's attendance. Coco's also reserves the right to request additional payment to cover the costs of cleaning should a dog have continual problems urinating or defecating indoors at the Crèche. It is the owner's responsibility to ensure that their dog is properly toilet trained. Small puppies will be excluded from this – under 16 weeks old.

Should my dog have a history of aggressive behaviour, including biting, I understand that Coco's reserves the right to refuse entry to my dog and I confirm that I have honestly disclosed to Coco's any known dangers associated with my dog. Any behaviour deemed to be inappropriate or dangerous and witnessed by Coco's staff may result in the instant removal of my dog from the Crèche.

Neutering – we understand that neutering is a very contentious issue. There are arguments for and against when this should be done by many professionals. The Kennel Club itself does not give specific advice on this but purely refers you to your vet. We have spent considerable time researching the latest information available and speaking to local veterinary practices. Coco's have had to come to a decision as we are an indoor crèche, that our current policy will be that dogs over the age of 10 months must be neutered, but any dogs displaying over dominant behaviour or continual scent marking will not be admitted to the Crèche until they have been neutered, even if they are under 10 months of age. In respect of bitches, they may attend the Crèche if not neutered, however, when in season, they must refrain from

attendance – the time period varies but is usually around 3 weeks. Please consult your vet if unsure. During the time your dog is absent from the crèche for neutering/spaying or a bitch in season, all usual crèche payments must continue to be made in order to keep their space open.

All dogs must undergo a 30 minute trial session during normal opening times to test for obedience, integration within the pack and general observations. This session may be waived for pups under 5 months of age. Once accepted dogs will be continually monitored for a period of 6 months and assessed for appropriate behaviour.

I confirm that under no circumstances will Coco's be liable for consequential damages or damages beyond the replacement value of my dog.

In the case of an emergency medical situation, Coco's will make every effort to contact me before taking my dog to the veterinarian, but if they are unable to reach me, I hereby authorise Coco's to transport my dog to the veterinarian or their own veterinarian for treatment. I accept responsibility for, and agree to pay any and all medical bills for my dog arising from emergency medical care judged to be medically necessary by the attending veterinarian. If my dog is sick or shows evidence of upset stomach or other illness whilst at the crèche Coco's staff will make contact to arrange collection of my dog. There will be no refund given for non-attendance on these occasions.

I understand that my dog may be photographed or video/audio recorded while on the premises. I agree to the use of such photos and other material in all forms of Coco's communications and on social media.

I understand that all services provided by Coco's Canine Crèche will be paid for in advance using bank credit transfer.

I confirm that I will give at least two weeks' notice of cancellation and, should my dog not attend the Crèche, I will be charged if the cancellation notice has not been provided.
